Epiron News:-The Columbus cor-

respondent of the Cincinnati Gazette

ate March 20th, viz: To repeal so much notwithstanding they may have failed to that they had heard the last of the further slight decline since our last report.

Sensitude any unfinished part of the couldness in Kansas: construct any unfinished part of the troubles in Kausas: road.

Well, after so much needless vituperation of the Legislature for its apparent | The Republican of yesterday, in compropensity towards the repudiation of menting upon the statements made to propensity towards the repudiation of the Democrat by Gov. Geary, seems to contracts that were manifestly vitiated doubt the fact of his having been in this by fraud, I am sorry to be forced to ad- office. The skepticism of that concern vert to this instance of flagrant repudi- in regard to anything from any quar ation of an agreement to which no fraud ter, which goes to show the truth of attached, nor is it pretended by the corporation for whose benefit the above re- lar remark. Its dubiousness in the peal act was framed, that the primal present instance is not an exception and contract was not of their own seeking.

The purchasers referred to in the racity of our report. above bill, contracted with the State of Ohio, to construct and finish certain por- held by us and Gov. Geary, we only say and that too, while the peach orchards are under the finish certain por- held by us and Gov. Geary, we only say and that too, while the peach orchards are under the finish certain por- held by us and Gov. Geary, we only say and that too, while the peach orchards are under the finish certain por- held by us and Gov. Geary, we only say and that too, while the peach orchards are under the finish certain portions of an unfinished turnpike within that whenever a denial of the truth of in full blossom. For an hour or more of which was purchashed by Ephraim Doolita specified time, and also agreed to forfeit the right to charge and receive toll

what we have reported comes from a source entitled to respectable consideration, we shall fully substantiate all we are spectacle for our climate.—Natchto more of which was purchashed by Eptram Doomts the snow fell in abundance, but melting as soon as it touched the earth. It was a rare spectacle for our climate.—Natchto line and also agreed to foras soon as it touched the earth. It was a rare spectacle for our climate.—Natchby Richard Long, as Administrator of the Eson certain other finished portions of said have published turnpike, in case they should fail to Gov. Geary and his private Secretary perform any part of their contract. - came to this office unsolicited by us, and voluntarily, in the presence of five or Ohio, in advance, payment in full for great deal more that we did not find former it is the padlock of conversation, the work they agreed to perform.

Now, mark the sequel. The time set ored so highly as did the words of his been said that Physicians would disputage any for the fulfillment of the compact extongue. He spoke freely, fully, and remedy, however valuable, which they did not pired, and was lengthened over another term of years for the benefit of the contractors, and to the direct injury of the direct injury inhabitants of six counties, (not to mention the indirect loss sustained by the State; which would have gained, through the should be made known." We have no apprehensions that Gov. Geary the results and effectually contradicts the prevalent error that converted to the results and effectually contradicts the prevalent error that converted to the results are an apprehensions that Gov. Geary the large of the read in their interest to discovere the large mediate that their interest to discovere the large mediate that their interest to discovere the large mediate that their interest that their interest to discovere their attention. the completion of the road in question, will deny any of our statements. an increased basis for taxation, in the We have no business with the incon- and are glad to find it austained by the Rhera rise of real property in the six counties discover between our report and the Ayer's Pectoral and Cothartic Pills, even directly affected thereby.)

disappointment in silence, still hoping the Democrat, and have no desire to for the "good time coming," until some moddle with the high-sounding phrases HAIR RESTORATOR -- Prof. Wood advertises time during the last session of the Leg-tine during the last session of the Leg-tine Governor has seen fit to clothe his islature the nuble (?) contractors peti-message and commit it to the windy islature the noble (7) contractors peti- message, and commit it to the windy extensively, and with great success. Hund tioned that honorable body (in effect) to and pletheric folds of the Chesnut street reds, may, thousands have used it, and are will wrest from the six counties alluded to organ. The whole article of the Reabove the sum of \$32,000, and present the same to the said modest contractors, it has always hated the Free State men, in consideration of their faithful non- and hates them still. It has always a natural full and hates them still. It has always account full and hates them still. It has always account full and hates them still. It has always account full and hates them still. It has always account full and hates them still are always account full and hates them still are always as follows, to-wit: and forsooth, in addition to this nice little present these same "luck-in-leisure" gentlemen seriously asked of the Levislature of the land to the lan Legislature to be allowed "to charge of Gov. Geary, a witness than whom no and collect tolls on all finished portions living man is better qualified to speak, of the road, notwithstanding they may lieved, have failed to construct any unfinished portions of the same."

Thanks to the efficacy of a prompt remonstrance, connected with the discretion of a non-repudinting-of-fair-con- ces a long and disgracuful article in his tracts Legislature, the prayers, cries and paper on the 17th ult: grouns of the beggarly contractors were

ly inactivity," until the present Legis-ble old commonwealth in the U. S. Sen-like very best thing on record to mid digration and create a good natural appetite. In short, lature assembled, and from that time un. ate for the next six years." til now, they have not censed to press This parsgraph is enough to convince their monstrous demands, until, despite any rational man that Forney is wholly the thundering remoustrance of six unfit for any public employment. The counties en masse-despite the warnings people of Pennsylvania evidently knew from the press and the "dear people" the man, when their representatives dedespite justice—despite law—despite the feated him. sixth commandment—the Senate of the END OF THE WORLD AT HAND.—Pargreat State of Ohio has actually yielded is is very much excited by an astronomic to the purchasers—repudiated their conical controversy at which all do not gract—repealed the forfaiture—robbed six counties—douated the plunder to a ny, are arguing whether the world is to

It only remains now to be seen, is conceded by the disbelievers that the whether the House of Representatives contact must take place in June next, whether the House of Representatives contact must take place in June next, will furnish "aid and comfort" to the they argue (or Mons. Basinet, the French Senate bill quoted above, in order that it may become a law. "Let us hope for materially affect us. The German, on hope for materially affect us. The German, on hope for materially affect us. The German, on hope for materially affect us. better things."

usual dimensions; still the subject is and that its center is solid fire, and the surface of the earth will be and that the surface of the earth will be turned into a sea of fiery lava, by his formidable cigar!—Home Journal.
